CAT

2019

I am/We are from CAT@UJ

CAT is the Centre for Academic Technologies

You will be able to get hold these slides

eLearning at UJ

Most of your learning at UJ will require the internet and technology

1. We are here to introduce you to UJ's online environment
2. Show you where you can find help
3. Give you a taste of what to expect
4. Offer you computer skills tutoring plus support in small groups (**but you have to sign up** 😊)

You need access to the internet

All UJ's campuses are covered by Wi-Fi

You have to:

- Set up your devices to link to the student Wi-Fi
 - Select WiFi@UJ
 - Then enter student number and your uLink password
 - Click on continue
 - Then repeat process in the browser that opens
- You have an allocated amount of free Wi-Fi on campus per month. Uncapped during the night.
- Instructions of how to connect are on uLink, CAT eBuddy, CAT-Chat

Also access to the internet available on computers in the computer labs and libraries on campuses

Set up your UJ internet password

Internet Access Registration

In order to gain access to the Internet you will have to register. You will be asked to verify that you are an active staff member or a registered student by logging on with your relevant credentials. You will then have to choose a password for **Internet Access**

Please memorise your new password. You will be asked to enter it everytime you try to access any external (non UJ) websites

Please choose your current status:

- ☐ Staff (If you have a UJ email address)
- ☒ Student
- ☐ External Contractor

Please use your student number and **student portal** password to verify that you are a registered student.
If you do not have a **Student Portal password** [click here to create one.](#)

Studentnumber: @student.uj.ac.za

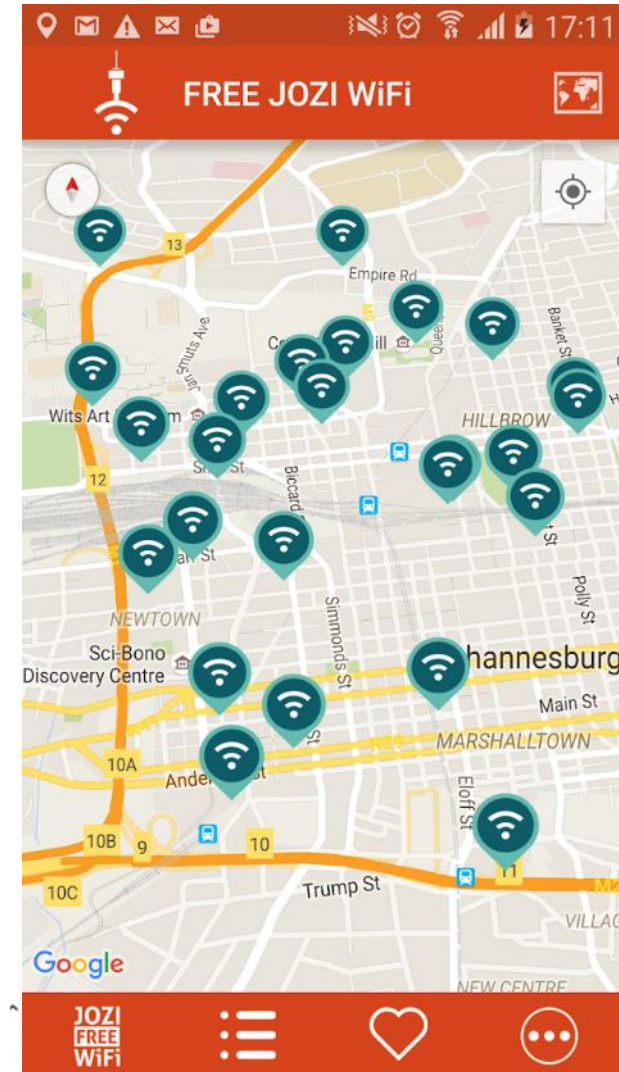

Password:

Verify

When you are off-campus but in Joburg Metro

Download the **JoziFreeWiFi** app from Apple App Store or the Play Store

- You will then be able to see one of the 1000+ hotspots near you
- Everyone in Joburg has 300MB free data per day

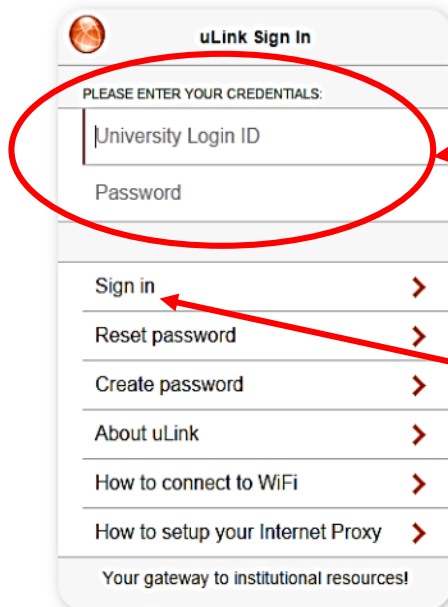

uLink

The most important web-link to remember!

uLink (ulink.uj.ac.za) is the Student One-Stop Portal where you can find access to almost all information you need

For access, you need to sign in:

A screenshot of the uLink Sign In form. The form has a title bar with the uLink logo and the text 'uLink Sign In'. Below the title bar, it says 'PLEASE ENTER YOUR CREDENTIALS:'. There are two input fields: 'University Login ID' and 'Password'. The 'University Login ID' field is circled in red. Below the input fields, there is a list of links: 'Sign in', 'Reset password', 'Create password', 'About uLink', 'How to connect to WiFi', and 'How to setup your Internet Proxy'. The 'Sign in' link is also circled in red. At the bottom of the form, it says 'Your gateway to institutional resources!'.

Your gateway to institutional resources!

If you type the wrong UJ Login ID (**your student number**) or the wrong password, the whole block will 'jiggle'.

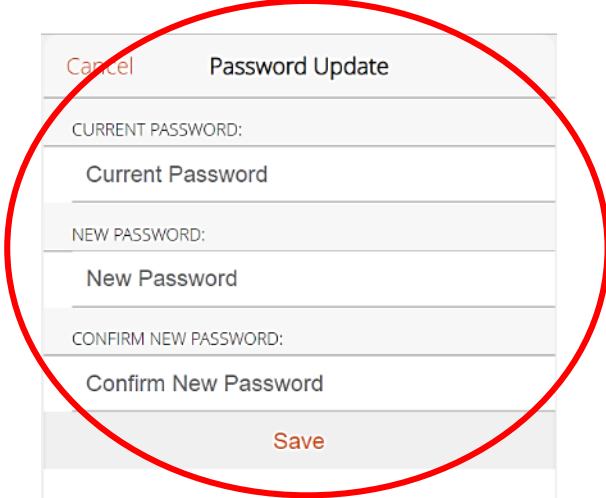

Just retype the correct information and press 'Enter' or click on Sign in.

Forgotten my password 😞

If you have forgotten your password or want to change it:

1. Login to uLink <https://ulink.uj.ac.za/>
2. Click on UJ Password
3. Enter your current password and create a new password

- Minimum length should be set to 14 characters
- Your password need to have a combination of all the following requirements:
 - English uppercase characters (A through Z);
 - English lowercase characters (a through z);
 - Numbers (0 through 9); and
 - Non-alphabetic special characters (for example, !, \$, #, %).

The screenshot shows a 'Password Update' form with a red circle highlighting the input fields. The form includes a 'Cancel' button at the top left. The fields are: 'CURRENT PASSWORD:' with a 'Current Password' input field, 'NEW PASSWORD:' with a 'New Password' input field, and 'CONFIRM NEW PASSWORD:' with a 'Confirm New Password' input field. A 'Save' button is at the bottom right of the form. Below the form, a note states: 'Please note that: 1. The minimum password length is 14 characters, 2. english uppercase characters (A through Z), 3. english lowercase characters (a through z), 4. Numbers (0 through 9), 5. non-alphabetic characters (e.g. !, \$, #, %) and 6. must not contain the user's account name or more than two consecutive characters from the user's full name.'

Link to slides will be on uLink and in the
2019 FYS module

What will I find on uLink?

What is Blackboard and what do I use it for?

Blackboard (Bb) is UJ's online Learning Management System where you will find all your **modules**

All UJ students do some activities on Bb (e.g. access learning guides, see messages from lecturers, participate in discussions, submit assignments, do quizzes, download slides, watch videos, and see your marks)

You can access Blackboard (Bb) via uLink and you can **download the Blackboard app** for mobile online and offline learning on your phone or tablet

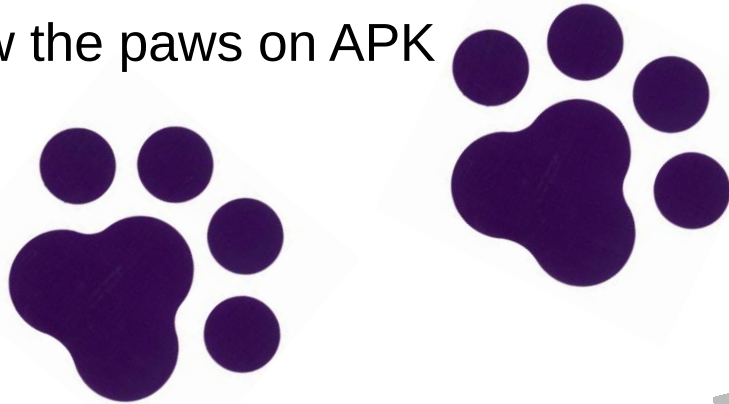

We will show you in this session how to use basic Blackboard (Bb)

All paws are leading to... CAT-HELP

Meet your 3-D CAT eBuddy in an AR app

1. Download the UJ CAT eBuddy from the App Store or Play Store (released on 4 Feb)
2. Take a photo of the sticker at the back of your student card
3. The CAT eBuddy paw will appear

Click on a toe and the CAT eBuddy will:

1. Offer help to reset your password/how to link your device to UJ Wi-Fi
2. Suggest a list of apps to download for learning at UJ
3. Answer 7 frequently asked questions
4. Provide lots of information you may need for Success 101
5. Show you campus maps

At UJ **EveryonePrint** to avoid having to stand in line for a computer to print

When you **are off-campus or on-campus, but not near a printer**, you can put your document/s in a queue for printing later.

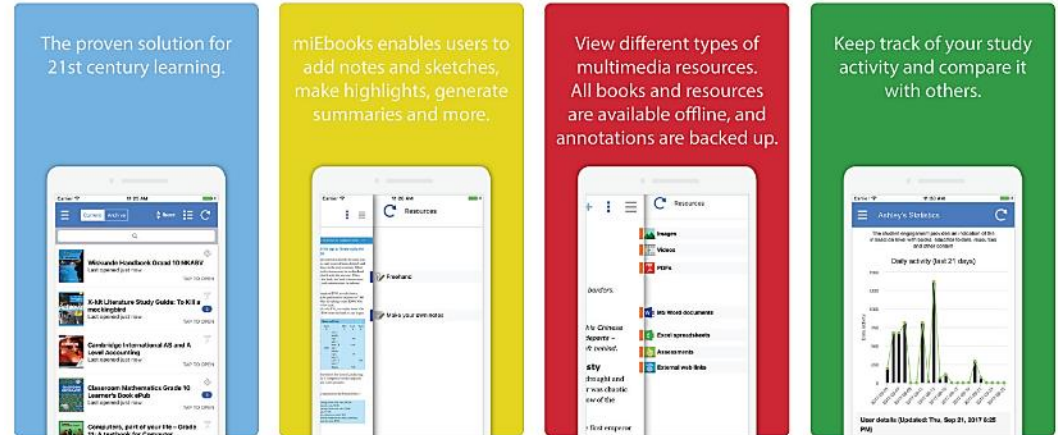

1. Download the **EveryonePrint** app on your phone or tablet
or

Use the website at <http://studentwebprint.uj.ac.za> to upload your document/s.

2. Login with your UJ credentials and follow the prompts.
3. You can choose B&W or Colour (colour is expensive!) on a campus of your choice.
4. Then go to a **student printing station** and swipe your card to print (Students labs and Libraries)

Download app to buy UJ eTextbooks in the online store

Interactive e-reader that enhances your reading and studying experience.

The app enables you to add notes and sketches to specific sections of an e-book, make highlights, generate summaries from highlighted text for study purposes, receive additional multimedia resources.

Once downloaded, all books and resources are available offline and annotations are backed-up whenever you connect to the Internet or Wi-Fi on campus

Don't loose your device!

Anti-theft could help to find your device

Over **10,000 phones, tablets and computers** were stolen on and off campus in 2018.

Android Device Manager – To locate stolen or misplaced Android tablets, mobile phones download **Prey**.

Apple device – You can track your lost device using **Find my iPhone/Find iPad** (iOS)(Apple).

BUT must be switched on/activated
