

100% FREE | 100% ONLINE | START NOW | WORK AT YOUR OWN PACE | NO LECTURES TO ATTEND

### **REGISTRATION NOW OPEN**

All students and staff at the University of Johannesburg can now enrol for the following free online short learning programmes:

- (1) African Insights: an introduction to the intellectual traditions and debates in Africa.
- (2) Artificial Intelligence in the 4IR: an introduction to artificial intelligence (AI), its applications, and its implications for society and the future of work in the Fourth Industrial Revolution (4IR).
- (3) **Introduction to the Sustainable Development Goals**: an introduction to the United Nation's seventeen Sustainable Development Goals.
- (4) **Financial Literacy**: about effective strategies to manage your money and make sound financial decisions.

A digital certificate will be issued on successful completion which may be viewed and shared with third parties or possible employers through the UJ Digital Certificate platform. For currently-registered UJ students, this achievement will also appear on your academic record. The programmes are exciting, stimulating and relevant.
